

The Genie in the Jar

Nikki Giovanni's evocative, lyrical poem spins words of freedom, but warns against the pain it can bring. She weaves a glowing fabric on the black loom of language, colored with hopes and dreams. With hints of jazz and folktales and nursery rhymes, *The Genie in the Jar* is also a simple story of love. With illustrations by Chris Raschka, this poetic evocation of love and pride is as deep as the human heart. Full color.
