

## Fit-a-Shape Trucks

Fit-A-Shapes™ are better than ever! We've considered booksellers' constructive suggestions on how to improve our already popular Fit-A-Shape™ books, and have relaunched this proven line of activity books for preschoolers in a totally redesigned format. A new, shrink-wrapped storage tray slips right into the front cover, providing a tidy place to store puzzle pieces when play is finished. Each interactive volume incorporates bright, three-dimensional pieces, that fit flush into a matching die-cut shape on each page. Simple, appealing graphics and an activity-oriented concept mean that young children have lots of fun while making decisions, developing dexterity, and learning basic concepts.
