

A Storm Too Soon: A Remarkable True Survival Story in 80 Foot Seas (True Storm Rescues)

When a forty-seven-foot sailboat disappears in the Gulf Stream in the throes of a disastrous storm, it leaves behind three weary passengers struggling to stay alive. This middle-grade adaptation of an adult nonfiction book tells the story of the four intrepid Coast Guardsmen who braved this ruthless storm in the hopes of saving them. A spellbinding tale of courage and survival from the author of *The Finest Hours*, now a major motion picture.
