AFRL Materials and Manufacturing Directorate celebrates annual Fellow, Air Force Research Laboratory Charles J. Cleary Scientific Award High Impact Fellow, Nottingham-Trent University, UK Authur S. Flemming Award for **Biography Materials Science and Engineering** Feb 1, 2010 22, for the 57th Annual Air Force Research Laboratory Materials and Receiving the Engineering Expertise Award, for demonstrating outstanding of the directorate, was the Charles J. Cleary Scientific Achievement Award. **Graduate School of Engineering & Management / Palazotto, Anthony** CONDITION VERY GOOD. OUTSTANDING SCIENTIFIC RESEARCH FOR 75 YEARS. CHECK THE PHOTOS FOR CONTENT AND CONDITION. eBay! **Whos Who in Plastics Polymers, First Edition - Google Books Result** Jul 30, 2008 Gail J. Brown, a research scientist at the Air Force Research Laboratory and leadership in materials research, as well as outstanding and Dr. Brown is a past recipient of the Charles J. Cleary Scientific Achievement Award **DR. RAJESH R. NAIK > Wright-Patterson Air Force Base > Display** Sep 18, 2008 Dr. James G. Grote, award-winning scientist and a principal electronics Air Force Research Laboratory Fellow Dr. James Grote is a researcher the Charles J. Cleary Award for Scientific Achievement an Air Force Basic **National acclaim for Drzal - MSU College of Engineering - Michigan** Jan 31, 2008 Dr. Morley O. Stone, a research biologist at the Air Force Research Laboratory He is a past recipient of the Charles J. Cleary Award (Materials and the prestigious Arthur S. Flemming Award for scientific accomplishment. **UNT Engineering Fall 2015 newsletter by UNT Engineering - issuu** By Holly Jordan, Air Force Research Laboratory / Published January 19, 2017 Michael Cleary presented Dr. Benji Maruyama with the Charles J. Cleary Scientific Award, with the Charles J. Cleary Scientific Award, the highest honor bestowed at the years outstanding performers at the 64th Annual Awards Luncheon. **AFRL Materials and Manufacturing Directorate recognizes annual** Mar 31, 2008 Dr. Gail J. Brown, an Air Force Research Laboratory

physicist, was Dr. Brown is also a recipient of the Charles J. Cleary Scientific Achievement Award Outstanding Alumni Award from the College of Math and Science in **CHES News 2015 - AFRL Materials and Manufacturing Directorate** Fellow, Air Force Research Laboratory Charles J. Cleary Scientific Award High Impact Fellow, Nottingham-Trent University, UK Authur S. Flemming Award for **Air Force physicist earns Fellow honors from American Physical** 1999- Distinguished Research Scientist, University of Dayton Research Ins., . along with Dr. Nicholas J. Pagano, for Charles J. Cleary Award (Materials Directorate, AFRL) for scientific achievement in 1995 Americas Registry of Outstanding **Award-winning biologist earns Senior Scientist honors > Wright** Feb 7, 2011 The Air Force Research Laboratory Materials and Manufacturing Directorate The Charles J. Cleary Scientific Achievement Award, recognizing scientific Receiving the Engineering Expertise Award, for demonstrating **DR. CHARLES Y-C LEE > Wright-Patterson Air Force Base > Display** From 19 he served as Director of Science and Technology with the Air Force Office of Aerospace Research Award for Outstanding Contributions to Research and the AFML Charles J. Cleary Award (1956). Author of numerous **Southern Research Engineer Lauded for Space Flight Contributions** Gail is not only a great scientist but a beautiful and loving mother. department to receive the Charles J. Cleary Award for outstanding scientific research. **National acclaim for Drzal** James P. Harrington Professor National Univ of Singapore, Dept. of Chemistry 3 Science Drive 3 Singapore 117543 Engr., Led new Environ Progs., USA Ballistics Research Labs, Aberdeen, MD, R & D Charles Cleary Award, 1979, AF outstanding career svc award, 1989, 196 WHOS WHO IN PLASTICS & POLYMERS. **AFRL Materials and Manufacturing Directorate honors years top DR. RAJESH R. NAIK > U.S. Air Force > Biography Display** - Jan 27, 2016 The Air Force Research Laboratorys Materials and Manufacturing Directorate honored Vincent J. Russo Award For Leadership: Dr. Mark Forte Charles J. Cleary Scientific Achievement Award: Multiferroics Team? Dr. **College Welcomes Air Force Research Laboratory Researcher as** Dr. Davis has done research in such areas as automation, electronics, he received the Charles J. Cleary Scientific Materials Research Award from the Air Force a Special Achievement Award from the ASME in 1971 and the Outstanding **Acclaimed scientist named AFRL Fellow > Wright-Patterson Air** The Air Force Research Laboratory Materials and Manufacturing Directorate recognized Charles J. Cleary Scientific Award for outstanding in-house research. **GP Tandon, Ph.D. - University of Dayton Research Institute** Jun 3, 2016 1994, Award for Excellence in Adhesion Science Research, 3M and 1979, Charles J. Cleary Award, USAF Materials Laboratory, Scientific Jan 16, 2015 The Air Force Research Laboratory Materials and Manufacturing Directorate The Vincent J. Russo Award for Leadership Excellence recognizes significant . The Charles J. Cleary Scientific Achievement Award recognizes **Lovelace, Alan, June 1976 - NASA Langley GIS Team Home Page** Jun 3, 2016 1994, Award for Excellence in Adhesion Science Research, 3M and 1979, Charles J. Cleary Award, USAF Materials Laboratory, Scientific **1967 2nd ED USAF CHARLES J CLEARY AWARDS for Papers on** 2005 2007, Tribology Research Group Leader, Tribology and Coatings Branch, AFRL 2005 US Air Force Outstanding Civilian Achievement Medal. 2005 Charles J. Cleary Scientific Achievement Award from AFRL/ML. 2006 US Air Force **A Womans Place is in the Lab - Support - National Womens History** Mar 14, 2016 As the Research Team Leader of the Nanoelectronic Materials Branch at AFRL Materials Engineers, U.S. Air Force Outstanding Scientist of the Year, and the Charles J. Cleary Scientific Achievement Award from AFRL/ML. **Star 21: Strategic Technologies for the Army of the Twenty-first - Google Books Result** As the Research Team Leader of the Nanoelectronic Materials Branch at AFRL many awards and recognitions including the Research fellowship Award of US Air Force Outstanding Scientist of the Year, and the Charles J. Cleary Scientific **AFRL/RX recognizes annual awards winners > Wright-Patterson Air** : Charles J. Cleary Awards for Outstanding Scientific Research: Text clean & bright binding tight minor wear to covers. 476 pages. Illustrated. **Scientist receives Air Force award > Air Force Materiel Command** He received the Aerospace Division Structures and Material Award for and the Air Force Research Laboratorys (AFRL) Charles J. Cleary Award for Scientific
