

## My Family (Inside My World)

Every family is different. That's why it's so much fun to spend time with different people and learn how they live. Beginning readers will love getting a look at what this family does on a day-to-day basis. From making dinner with the grandparents or taking a family walk, accessible text and color photographs show an active and healthy family enjoying the time they spend together. Readers will also learn about interpersonal relationships between parents, grandparents, and children.
