

## Paddington Bear: A Lift-the-Flap Rebus Book

Here's Paddington in a brand-new format! The original story of how the marmalade-loving bear from darkest Peru met the Brown family and got his name is now an interactive rebus book for children of all ages. Very young children will enjoy lifting the rebus flaps and pulling the pop-up tabs as this endearing story is read aloud, while older readers can lift the flaps to see if they have guessed the hidden words correctly.
