

Peace, Love And Vegetables (Herb the Vegetarian Dragon)(book and toy gift set)

In a faraway forest in a faraway land live Meathook and his band of carnivorous dragons who love feasting on tasty princesses. There is one dragon who is different...Herb is a peace-loving vegetarian who is prepared to stand up for what he believes in. As well as encouraging healthy living, Herbs hilarious story offers lots of food for thought. The gift set includes a book and a bendable Herb figure (measuring 178mm high and holding a detachable pink flower in one hand!). The box itself is covered in delicious vegetarian recipes easy for children to make, and is ideal for using as a planter - to make your very own Herb garden!
