

## Who is the Iron Lady? A Very Short Book For Children (Who is?)

Who is the Iron Lady? Is a fantastic short book aimed at children between the ages of 5 and 9. Margaret Thatcher will forever be known as the Iron Lady. She was the first ever female Prime Minister of Great Britain. In, fact, the ONLY female Prime Minister!! This book tells her story, from her childhood as a grocers daughter through to the famous black door of Number 10 Downing Street. It tells of how she was defeated in her first attempt to become a MP, only for her to succeed some years later. It then tells of her rise to power and how she become the milk snatcher! The book also explains, in simple terms, how she helped stop the cold war, sent the task force down to the Falkland Islands and about the miners strike. It also tells of how the British public did not kick her out of Downing Street, but how her own party did. Finally it gives some amazing facts about Margaret Thatcher, the Iron Lady! It is a short book that is written for YOUNG children about the age of 5 to 9!
