

## Tricksters Bubble Trouble (The Flash)

AXEL WALKER, the crazy TRICKSTER, likes toys and gimmicks. And this time hes making mischief using things no one can see. Whether its oxygen, air pressure, or invisible gas, the TRICKSTER is bubbling over with evil schemes. Only the FLASH can outwit the nefarious knave. But soon, WALKER traps FLASH within a special bubble, a gigantic glass sphere free of friction. Without friction enabling him to move, the FLASHs super-speed doesnt get him anywhere. And the oxygen inside the bubble is quickly running out!
